SUPPLEMENT TO
REPORT NO.

There have been many more arrests of Communist agents on Taiwan than the recently announced 106.¹ Practically every Nationalist military office is known to be infiltrated by Communists. Radio direction-finders have spotted six Communist radios on the east coast of Taiwan, and their traffic has been intercepted and analyzed. This analysis reveals that the traffic deals largely with detailed information on the itinerary and activities of General Chass and the MAAG group.

1. [REDACTED] Comment. An AP report from Taiwan dated 28 June stated that the Nationalists have announced the arrest of 106 persons suspected of being Communist agents since the smashing of the Communist espionage net last year.
